ISC-nRF52840-A-MODULE

MODULE PLACEMENT

Position -1	Position -2	Position -3	Position -4	Position -5
				
↑Option 1. Placing at the edge with the antenna outside of the host board	↑Option 2. Placing at the edge with clearance area	↑Option 3. Placing at the edge with no copper trace below the antenna	↑Option 4. Placing in the center with clearance area	↑Option 5. Placing in the center with no clearance area

NOTE - Antenna performance decreases if the position increases (e.g., position 1 gives higher performance).
